DECLARATION UNDER 37 CFR 1.131 IN SUPPORT OF PRIOR INVENTION

Sir :

We, Hsin-Chu Tsai, Subramaniam Maiyuran and Chung-Chi Wang declare:

1. We are the inventors of the claims of the above-captioned patent application ("the Application") and the inventors of the subject matter described therein.
2. At least prior to September 17, 1997, the filing date of U.S. Patent No. 6,094,2003 cited in an Office Action mailed February 20, 2004, the invention claimed in the Application had been conceived and reduced to practice in the United States.
3. Attached Exhibit A is a redacted system design presentation describing the design of the Method and Apparatus for the Implementation of Full-Scene Anti-Aliasing

Supersampling and establishes that the subject matter claimed in the Application had been conceived in the United States prior to September 17, 1997.

We further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application of any patent issuing thereon.
